F. WORLD-WIDE

1. WORLD PRESS SUMMARY OF INTERNATIONAL COMMUNIST DEVELOPMENTS

Weekly Summary - FOR OFFICIAL USE ONLY

Information from the international press on reactions to current trends and developments in international Communism.

Organized topically and according to the availability of material as follows:

One or more sections on international developments.

A section on significant developments within national Communist parties.

A section on front organizations.

An appendix containing translations of major party statements and other materials of special interest.

2. EAST-WEST AND INTRA-ORBIT TRAVEL AND CONTACTS

25X1A

Weekly ☐ - FOR OFFICIAL USE ONLY

Information from the international press on travel and contacts between Orbit and non-Orbit countries, and between countries within the Orbit.

East-West Travel and Contacts -- Official and unofficial travel and contacts between Orbit and non-Orbit countries, with reference to the following types of activity: scientific, technical, financial, commercial, and cultural, including travel of students, athletes, artists, newspapermen, and exchange of cultural materials, etc.

Intra-Orbit Travel and Contacts -- Official and unofficial travel and contacts within the Orbit of technical and managerial personnel of industrial enterprises, political and government key figures, high-level cultural and educational figures, medical personnel, and key figures in mass organizations. (Note: Information on travel and contacts of scientists within the Orbit is reported in the Scientific Information Report.)

3. WEEKLY PRESS NOTES ON INTERNATIONAL CONFERENCES AND FAIRS

25X1A

☐ - FOR OFFICIAL USE ONLY

Information from the international press on the date, location, agenda, delegates, and financial support of formal international conferences (scientific, cultural, economic, and religious; Communist and non-Communist; but excluding military, diplomatic, and sports meetings). Also information on the date, location, participation, etc., of international fairs and exhibitions.

4. FOREIGN PRESS REPORTS ON INTERNATIONAL TRADE AND SHIPPING

25X1A

Weekly ☐ - FOR OFFICIAL USE ONLY

Information from the international press on the following subjects, with emphasis on strategic goods:

- East-West trade
- Intra-Orbit trade
- East-West cargo shipments
- Smuggling and arms traffic
- Orbit trade advertisements in non-Orbit countries

5. CONSOLIDATED TRANSLATION SURVEY (CTS)

Monthly - SECRET

Lists translations from all languages completed or started during the previous month. Listings are provided by 19 cooperating foreign-language units of the IAC agencies, and through liaison with other governmental, commercial, and institutional translation facilities. Listings are not cumulative, but cumulative results are made available to the IAC agencies through the FDD/CTS Index. Translations are listed by geographic areas and in a scientific-technical section. Bibliographic data, translation identification and repository are provided. A controlled (NOFORN) supplement is also issued monthly.

The Consolidated Translation Survey publication and Index represent the FDD effort to coordinate foreign-language operations of the IAC agencies, as directed in NSCID-16.
